SPEAKING ENGAGEMENTS

Diversity In Design Roundtable

Barriers - Women in Design

Be Personable. Not Practical

EDUCATION

North Carolina State University

Masters of Industrial Design

Georgia Institute of Technology

Atlanta, GA | 2013 (4 yrs)

Raleigh, NC | 2018 (3 yrs)

Bachelor of Science, Architecture & Minor in Spanish

WORK EXPERIENCE

Associate Apparel Designer | Under Armour

Oct. 2018 - Present

- Men's & Women's Run Apparel
 - Led innovation huddles to ideate and prototype technology storage solutions for established franchises.
 - Managed design development for 48 styles, 120+ SKUs, representing 48% of revenue for the Run Category
 - Proposed new colorways for DSG that resulted in 64k units ordered and \$1.8M retail value, increasing wall presentation for Fly By Shorts
 - Conducted runner focus groups and distilled insights into line arch.

Sports Bras - Women's Training

- Sketched and prototyped slim functional trims for bra convertability
- Organized and maintained a physical and digital trim library to drive operational efficiencies across seasonal and core trim developments
- Created presentation decks to communicate design intent and facilitate cross functional alignment
- Managed BOM, lab dips, and tech packs for inclusive, seamless, youth, and straight size bras

Community Strategist | Hue Collective

2016 - Present

- Developed strategic networking plan to meet annual budget goals
- Utilized attendee feedback to inform and build strategic content roadmap resulting in prfessional, inspirational, and educational programming
- Curates content through recruitment of keynotes and workshop leaders

Industrial Designer, Internship | Laut Design

2016 (3 mo.)

- Conducted and visualized ethnographic research for design insights
- Facilitated collaborative ideation sessions to create product concepts
- Hand-crafted prototypes at each stage of design process for client
- Built final working and aesthetic prototypes for client presentation
